DEVELOPING A LOVE OF LEARNING

TAYLOR YMCA PRESCHOOL PROGRAM

Taylor YMCA Early Learning Center (Ages 3-5)

The **Taylor YMCA** provides a warm and welcoming environment for children 3 -5 years of age. We are excited to announce, we are implementing **HighScope Curriculum** at our center. HighScope Curriculum is play based, child centered, and research based approach to learning. Children participate actively in the process of their learning through hands on developmentally appropriate activities with teacher supports.

Our passionate, caring, and experienced teachers will make your child's preschool day a memorable one. All children must be **completely toilet trained** prior to attending preschool. As a licensed center, we follow DCFS, and IDPH Guidelines to provide a safe and healthy environment.
